

## **NOTICE OF PRIVACY BREACH**

We take patient privacy very seriously, and it is important to us that you are made fully aware of a potential privacy issue. On February 20, 2019, it was discovered that an employee of the Hospital accessed a list of patient identifiable information of the hospital or its clinic and then apparently sent that list to a third party. We believe the third party received the list confidentially and has not redisclosed the information.

We are keenly aware of how important your personal information is to you. We sincerely apologize and regret that this situation has occurred. Madison Parish Hospital is committed to providing quality care, including protecting your personal information, and we want to assure you that we have policies and procedures to protect your privacy.

If you have any questions, please contact Chasity Whitaker, Privacy Officer, at 318-651-5601.
